

# WEDDINGS

AT HIGHLAND SPRINGS RANCH & INN

# 2018

## WELCOME

The natural beauty of Highland Springs Ranch & Inn is just one of the reasons our location holds a special place in the hearts of so many of our guests. Imagine your grand entrance emerging from a flowing purple sea of lavender fields in full bloom. Our towering 1000-year-old oak tree has presided over wedding ceremonies since the days we were a stagecoach stop. Instead of walking down the aisle, take a walk down a century-old grove of olive trees that stretch as far as the eye can see. All of our meals are prepared in-house by our award-winning staff at The Grand Oak Steakhouse & Bar. Visit us and see why historical figures such as Ernest Hemingway and Albert Einstein were such frequent guests, and create a little history of your own.
